Honorable Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Turner:

I am writing to ask for your agency's participation in the 1979 Combined Federal Campaign Loaned Executive Program.

Last year's successful campaign was due in large part to the positive response of departments and agencies to our revamped Loaned Executive Program. The response gave us our largest number of Loaned Executives since the program's inception four years ago.

The Loaned Executives support every segment of campaign planning and operation in each organization of the Federal Government. While the importance of the Loaned Executive Program is obvious to the Combined Federal Campaign, the value to the individuals and the organizations they represent is also great. I view the opportunity as a positive career component in the development of managerial skills. Intensive initial training is followed by experience in meeting and working with high level government officials in the National Capital Area. The Loaned Executive's prime responsibility and challenge is to get the commitment of these people to the objectives of the CFC and then to consult with and motivate campaign leadership toward well-planned and executed strategies.

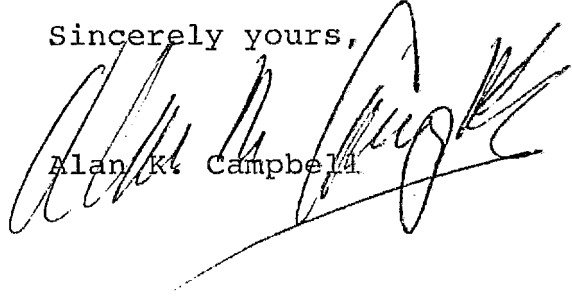

It is my hope that you will assist us in this program by loaning one of your mid-management staff. The enclosed Loaned Executive Job Description describes the kind of individuals we seek.

I am asking you to appoint your Loaned Executive by August 1, 1978. The assignment will begin on August 14 and end on November 22. As soon as you have made your appointment, please send the person's name, address and telephone number to William A. Schaeffler, Director, Combined Federal Campaign, 95 M Street, S. W., Washington, D. C. 20024, with a copy directly to me.

I look forward to your help to make this year's Combined Federal Campaign more successful than ever before.

Sincerely yours,

Alan K. Campbell
